The Azrieli
Faculty of Medicine in the Galilee
Bar-Ilan University

Build Your Lab in the Galilee

Lead research and shape Israel's young Faculty of Medicine

NOW RECRUITING · TENURE-TRACK FACULTY

We seek exceptional scientists with outstanding PhD and postdoc achievements in:

- Biomedical Sciences
- Bioinformatics & Data Science
- Pharmacology
- Public Health

Why join us

Generous start-up grant
A substantial recruitment package to launch your own lab.

State-of-the-art infrastructure
Cutting-edge instruments in shared core facilities.

A collaborative community
A young, ambitious and interdisciplinary research community.

Direct clinical connections
Affiliated Galilee hospitals open the way to translational research.

Research with purpose
Tackle global health challenges and a special focus on challenges in Northern Israel.

Exceptional quality of life
Green mountains, the Sea of Galilee, and vibrant communities.

How to apply OPEN YEAR-ROUND

Email **a single PDF** file with the subject "Application for faculty position", containing:

1. Cover letter to the Dean, Prof. Orly Avni
2. CV with Clarivate (JCR) journal impact factor and rank
3. Research plan (up to three pages)

Three referees should send letters directly to the same address
