

Call for Applications for Faculty Positions at the Azrieli Faculty of Medicine, Bar-Ilan University

The Azrieli Faculty of Medicine in the Galilee, Bar-Ilan University, located in Safed, is seeking outstanding candidates for tenure-track faculty positions in all fields of **Biomedical Sciences** and **Bioinformatics**.

It is an opportunity to join our faculty's outstanding, vibrant, and friendly research community and benefit from our advanced research facilities in the faculty.

Candidates should have outstanding PhD and postdoctoral training records.

If recruited, the candidate is expected to establish and lead independent research and contribute to the Faculty teaching programs.

For further information on the Faculty please visit: <http://medicine.biu.ac.il/>

Applications should be sent no later than **October 31, 2024** to alissa.burstein@biu.ac.il and include:

1. Cover letter addressed to the Dean of Medicine
2. Curriculum vitae (please include publications IF and Rank according to [Clarivate JCR](#))
3. Description of future research plans (max. three pages)

Please submit the above in this order, in one single PDF file.

4. Three reference letters to be sent by referees directly to Dr. Burstein, by the same date.
